

# FINAL REPORT

## Shred Documents & Recycle Electronics

Service by [All-Shred](#)

Service by [E-End](#)

**July 8, 2017**

**NOTE: Info on proper disposal options for [fat tube TVs and monitors](#)**

The free community service was offered between 9 a.m. and noon on Saturday, July 8 at the Jefferson Ruritan Club in Jefferson, Maryland. Over 150 people were served and nearly 96% made voluntary contributions. Donors had the option of choosing to support either or both of these causes:

- School construction and scholarships in Africa administered by Able & Willing International Education Foundation, Inc.
- The Jefferson Ruritan Scholarship Fund administered by the Community Foundation of Frederick County.

### Processing Results:

- 4.9 tons of documents were safely shredded
- 1.2 tons of electronic items were responsibly recycled and electronic data securely destroyed
- 7 Certificates of Data Destruction were issued (\$5 each, not tax deductible)

### Income:

- Gross Income = \$3,725
- Expenses = \$ 465
- Net Income = \$3,260

The profits were divided according to donor preferences (If no donor preference were specified, donations were divided in proportion to number of volunteers and transportation equipment provided by the respective organizations.):

- Net to Able & Willing for school construction and scholarships in Africa = \$1,694.91
- Net to the Jefferson Ruritan Scholarship Fund administered by the Community Foundation of Frederick County = \$1,560.05

Thanks again to all donors and volunteers!
